

# Duke**ALERT**

**THIS IS A TEST. THIS IS A TEST. THIS IS A TEST.**

**On Wednesday, July 22, at 10 a.m.,  
Duke will conduct a test of the  
Duke**ALERT** notification system.**

**The test will include the various  
communication channels that would be used  
to notify the Duke community in the event  
of a life-threatening emergency.**

For more information, visit:  
**[www.emergency.duke.edu](http://www.emergency.duke.edu)**

## **NOTIFICATION DURING AN EMERGENCY:**

E-mail will be sent to all Duke e-mail addresses.

Recorded update at  
**(919) 684-INFO (4636).**

Outdoor warning system may broadcast alerts on campus.

Direct contact from emergency personnel and managers.
